

Superb GCSE results: equal to the highest the school has achieved.

This has been a hugely successful year with a record breaking results in many areas.

Well done Year 11: you've been a fantastic group to work with and thoroughly deserve your great results. Many thanks – and well done - to the staff and parents who've supported them.

The Basics

- **67%** of students achieved 5 x A*-C including Maths and English – which equates to the best year so far at Nunnery.
- **84%** of students got a C or higher in English and **71%** in Maths.
- **69%** got at least a C in both.

Top Grades

- Perhaps most impressive of all, an amazing **25%** of GCSE grades were either **A* or A**.
- **47%** of grades were between **A* and B**.

Value Added (grades they leave with compared to grades they arrived with)

- Our **Progress 8** score – the government's test of the value added we offer students - is a superb **0.49**. Up on last year's 0.46 and placing Nunnery in an elite group of schools that achieve outstanding progress for their students.
- Very few schools nationally do better than Nunnery at developing potential.
